

Resource Description

“American FactFinder” (AFF) provides access to data about the United States, Puerto Rico, and the Island Areas. The data in AFF come from several censuses and surveys including the decennial census, the American Community Survey, the American Housing Survey, and the Economic Census. This page provides links to tutorials on finding ancestry, median income, educational attainment, race and ethnicity, and community data.

Activity Assessment

To access a tutorial on using American Fact Finder to find ancestry data, please click here (http://www.census.gov/mso/www/training/ancestry_tutorial.html) or the image below.

To access a tutorial on using American Fact Finder to find data on the median income of congressional districts, please click here (<http://www.census.gov/mso/www/train>) or the image below.

To access a tutorial on using American Fact Finder to find educational attainment data, click here (http://www.census.gov/mso/www/training/edu_attainment_tutorial.html) or the image below.

To access a tutorial on using American Fact Finder to find race and ethnicity data, click here (<http://www.census.gov/mso/www/train>) or the image below.

To access a tutorial on using American Fact Finder to find data on your community, click here (http://www.census.gov/mso/www/training/aff_tutorial.html) or the image below.
